VISAGE GPS CART ADVERTISING

HOW IT WORKS!

A full page customisable colour ad for your company displays on the screen for up to 15 seconds during the golf hole. The golfer must touch the screen to return to the golf hole.

With approximately 60,000 rounds annually, your advertisement will be seen by a large audience over a 12 month period.

As one of only a few golf clubs in Western Sydney who offer GPS on their motorised carts, your advertisement will be seen by our members, their guests and our social visitors on a daily basis.
